## INSURANCE SOLUTIONS FOR FLEETS OF 5+ VEHICLES

**If you have a fleet of at least 5 vehicles, we have the solution for you!**

Jones DesLauriers Insurance Management Inc., one of the largest privately held brokerages in Canada, has developed an insurance program to fully protect limousine operations. The program is designed to solve the insurance risks and minimize the exposures faced by this specialty class of business.

Working together with a leading and nationally recognized insurance company, we are fully committed to offering only the best insurance service and solutions to each of our valued limo clients. Operations currently insured include sedans, SUVs, vans, buses and, of course, stretched limousines.

### Service Standards

#### **Competitive Rates**

Our limo clients benefit from our ability to choose from the most reputable and competitive insurers in the market, offering distinctive advantages.

#### **24 Hour Claims Service**

Courteous, dependable claims service is the foundation of our relationship with each of our customers.

#### **Knowledgeable Representation**

We have built a team of dedicated professionals who are devoted to understanding and providing thoroughly planned and cost effective Insurance Solutions for limo operations.

## Coverage Solutions

- Third Party Liability** Protection against alleged claims from third parties for loss of life, bodily injury, and property damage.
- Passenger Hazard** Liability coverage in the event that a passenger or anyone occupying a company car is injured in an accident.
- General Liability** We can protect you from claims arising from alleged bodily injury, personal injury or property damage liability.
- Property** Damage to owned property caused by a comprehensive list of perils found in the broadest "all risks" policy.
