

# METAL WORKERS INSURANCE

## SPECIALIZED PROTECTION FOR METAL WORKERS

As one of Canada's largest independently owned insurance brokerages, Jones DesLauriers Insurance Management Inc. is well positioned to meet not only the current insurance needs of Metal Workers but also to avail ourselves to meet future industry requirements.

We use our independent point of view to develop specialized products, options and policy features that work to your advantage. Our team always goes above and beyond to ensure that you have the perfect insurance solution for your business.

### Services & Solutions

- |                               |  |
|-------------------------------|--|
| <b>General Liability</b>      | Coverage will be provided to protect you from claims arising from alleged bodily injury or property damage liability                 |
| <b>Boiler &amp; Machinery</b> | Our brokerage has contracts in place with the largest boiler & machinery insurance providers across Canada                           |
| <b>Business Interruption</b>  | A complete business interruption assessment will be conducted and recommendations will be made to ensure protection is in place      |
| <b>Employee Theft</b>         | We can assess your security measures and develop a plan to manage your risks and to avoid adverse publicity and disrupted operations |
| <b>Claims Control</b>         | 24 Hour Claims Assistance and claims procedures manuals are offered to each of our valued Metal Worker customers                     |
| <b>Auto Insurance</b>         | Our brokerage offers a results-oriented, state-of-the-art transportation safety program to all our clients who require this coverage |
| <b>Risk Management</b>        | A comprehensive assessment will be conducted to understand your business, evaluating every aspect of your operations                 |
