Contract Surety Management Solutions

Contract Surety Management Solutions

As a Contractor, a clear understanding of your Bond facility is critical to making informed and strategic business decisions. Jones DesLauriers Insurance Management Inc. (JDIMI) offers at absolutely no obligation, our Surety Inspection Pro™ to its current and prospective clients. The Bonding Team is dedicated to ensuring our Contractors are presented attractively and managed proactively to the bonding markets.

You can be confident that Surety Inspection Pro™ will not only provide you with a worry free understanding of your bond facility but will also serve as a valuable tool to help you proactively manage your company and make key business decisions.

The JDIMI Approach

JDIMI's Bonding Team can identify 1-3-5 year business plans and objectives, perform a business evaluation, review your existing bond facility and procedures, perform a complete financial analysis which includes explanation and disclosure, recommend a proven surety strategy, form a viable implementation plan and continue to monitor via a continuation strategy.

Your Results

By utilizing Surety Inspection Pro™ your company can become more attractive to bonding companies resulting in increased limits, lower rates and reduced security requirements. You can also benefit from a 1-3-5 year business planning horizon, enhanced business partnering, control over a worry-free bond facility and confidence knowing JDIMI is working hard for you.
