

# TECHNOLOGY INSURANCE

## IQ-I INSURANCE FOR THE I.T. SECTOR

As one of the premiere provider of insurance solutions for knowledge based industries, IQ-I Insurance, a division of Jones DesLauriers Insurance Management Inc., can quickly provide the proper insurance program for your new media company, at the most competitive price.

Our technology team is committed to offering the best specialty insurance experience to the media industry and has developed customized insurance programs to fully protect companies working in the Knowledge-Based sector.

### Operations Insured

- Application Service Providers
- New Media Consulting
- Custom Programming
- Custom Software Development
- Data Processing
- Facilities Management
- Network/Communications Systems
- Circuit Manufacturing
- Repair / Maintenance of Equipment
- Systems Design / Analysis
- Website Development / Hosting

- Telecommunications Software
- Packaged Software

### Program Advantage

#### Knowledge

This program was launched by a management team that held senior positions with International insurance companies.

#### Speed

Insurance is typically a slow moving industry, unaccustomed to the needs of fast moving entrepreneurial organizations. Our team moves at a speed that reflects the needs of your growing operation.

#### Value

We have negotiated rates and services with "best of breed" providers for coverages that are vital to knowledge based companies. We offer the best insurance programs at the most competitive prices.
